Greetings Colleagues,

Just as we have citizen advisory committees for Council business, Dearness has citizen and resident advisory committees for the Home. I am seeking your support in the below motion that would see the minutes from their meetings be presented To the Dearness Home Committee of Management for information.

Motion:

That the Civic Administration BE REQUESTED to submit, on an ongoing basis, the minutes of the Resident Council; Food Committee; Dearness Home Family Council; and Quality Improvement Committee to the Dearness Home Committee of Management for inclusion on its agenda.

Sincerely,

Elizabeth Peloza
Councillor, Ward 12
